# **Feline Behavior Consultation**

**with Molly DeVoss**

*CFTBS Certified Feline Training & Behavior Specialist, Certified RM Reiki Master/Teacher, Fear Free Certified Professional*

Feline Behavior Consultation addresses cats fighting, urinating outside the litter box, destroying furniture, shy/fearful, and more. Molly uses training and knowledge of feline behavior and behavior modification, to help guardians enable their cats to express natural behaviors, but in ways that are acceptable for both the humans and cats. Molly promotes the physical and psychological wellbeing of your cats. She uses force-free, positive reinforcement-based techniques that are least invasive and minimally aversive.

Consults are done via zoom consultation.
